Your JACKSONS **VOID ORDER** document has been received and published on [www.opg.me](http://www.opg.me)

<http://opg.me/Clarkeapprovedjudgment111016.pdf>

Section 2, involving Jackson's comment of my **'so called'** delusion & abuse, has been highlighted.

THIS in my opinion demonstrates clearly the **ONLY abuse and delusion** is emanating from that FRAUDULENT COURT and its criminal operatives, meaning JACKSON & PELLING, within their racketeering mafia operation that is awaiting to be dismantled.

**THIS is the real delusion...** he is the one that deludes himself into believing he has authority over and above **ann's EXECUTOR, me** and that, his abuse of my mother **via his ignorance to her losses** clearly spell's OUT, to show his **utter contempt** for THE LAW making a mockery of Justice and clearly demonstrating his **criminal delusional contempt** of such.

We have been abused by this court for far too long and though our long haul trip to THAILAND has been cancelled our resolve grows stronger by the day and our resilience to your terrorist activities upon the vulnerable that there are many others too to show, making us not one whom he has to claim abusive and delusional, but many, many others whom **ALL can't be wrong**.

The Court of Protection is as I always said **ONLY** providing protection to it's own abusers.

THE now Hague convention apostilled LIVING WILL of **ann WILL BE RESPECTED** as long as I live and breath.

YOUR jurisdiction over **ann** has ended from the 20th August 2012.

You must provide remedy now for the losses from trespass that has caused deep harm deep loss and deep injury.

**mike the executor of ann**
